“Maggie, it's hard to put into words how sweet this step granddaughter was. When in my presence, she was always smiling, always gave me sweet hugs, and I never heard one word from her putting someone down. She was a joy, and although I didn't see her but a few times after moving, she will always be remembered with love. God definitely has an Angel now. My love to Kasey, Griffin, Mae, Duke, Abby and Casey and other family members.
