“ *You can shed tears that she is gone
or you can smile because she has lived*

*You can close your eyes and pray that she'll come back
or you can open your eyes and see all she's left*

*Your heart can be empty because you can't see her
or you can be happy for tomorrow because of yesterday*

*You can remember her and only that she's gone
or you can cherish her memory and let it live on*

*You can cry and close your mind, be empty and turn your back
or you can do what she'd want:*

Smile,

Open your eyes,

Love

and go on.

*We loved you yesterday, we love you today, we will love you
tomorrow and always.*
