“ *My Mom lead a God fearing life and will be rewarded in heaven. Thank you Mom for being the best example that a mother can be. Your children, grandchildren and great grandchildren will carry on the example you set for a life that we should live. No more pain, no more sorry except for the sadness we felt when you were not here anymore. May your heavenly home be as wonderful as you imagined.*

“ *Margie was one of my momma's (Opal Ponder) best friends. They were always doing sweet "old lady" things. They loved to talk on the phone, laugh and talk about old times. They would go to church together when momma still lived in Cullman.*

It was always Margie who responded to my Facebook postings with numerous "gifs." I could always depend upon Margie to lighten my day and make me laugh. She will be missed. Her smile will be missed. Her loving heart will be missed.

May the family take comfort that she is at peace, pain-free and enjoying her victory!
