“ I'm so sorry for only finding this now - I had the pleasure of staying with Jack and Carolyn, Jackie and Vern in their mobile home up in Fox, Arkansas for a month in the summer of /77 - it was a deep learning time for me - I have many good memories of Carolyn, running her household, time in the kitchen, big laundry runs to Clinton or Mountain View, shucking corn in the Fall and harvesting potatoes - she was very kind to let me join the family for a time and I'll never forget that - Jackie and Vern were still school age - in 1979 we made a quick stop over on the way to Florida to introduce my husband and new baby - God bless you all and thank you for letting me live with you in those days, take care all! “ This was in June 2000 when Jack & Carolyn renewed their wedding vows. I believe this was their 40th and Larry and I were celebrating our 25th. They graciously invited us to share on their special day. The night before, the church where the ceremony was going to take place burned so we had everything outside. News media were there to take photos of the church which gave an opportunity for Jack and Larry to share their testimonies. Very special day that I won't ever forget!
