“*Mary Ann was such a beautiful person both inside and out. She had a sweet gentle spirit. She had so much talent playing the organ and singing all so beautifully. She and Raymond have two precious children Ginger and Jody I was privileged to know and to watch blossom into wonderful adults. Mary Ann was and will continue to be a blessing, an example, and an inspiration in my life. Sandy Oliver Heatherly*

“*I have so many beautiful memories of Mary Ann. Love hearing her play the piano & organ through the years. Mary Ann & I enjoyed singing together at the local nursing homes. A favorite so many if the residents asked for was "Whispering Hope". I have been so honored to have had such a special friend as our Dear Mary Ann. I have several special hand written letters she wrote me after I moved to Maryland. You will be missed dear friend. But one day I look forward to joining you & so many others in 'Beulah Land' ...What a Day That Will Be! ❤️
Sending my love & prayers to the family.
