“ Mary was my good friend. We met 40 years ago and became fast friends. We shared many happy times as well a sad ones. We shared the same birthday! It was because of her and her boys that my husband and I decided to have children of our own. Kelly and Eamon were sweet little boys who were well behaved, obedient, living and kind to all living things, people as well as animals. Mary had a sweet, calm, loving manner about her that was obvious to anyone around her. Although we moved far apart from each other, we maintained phone contact and managed 3-4 visits over the years. I'm grateful to have been able to visit her in March. We reminisced and laughed about our lives and experiences. We cried over disappointments. We shared gratitude for the longevity of our "golden" friendship. I will truly miss her although she will always be close in my heart and memory. I love you Mary.

“ *Eamon and Annie,  
I loved Ms. Mary.. She was a part of my family too! My heart breaks to know I didn't get to see her and let her know that I love her before she transitioned. Eamom, Alex and I loved your mom and we will miss her. We are praying for you all and the rest of his family! I'm so proud of Eamon and Annie on how you all took care of Ms. Mary and was there for her in sickness and in health. Ms. Mary knew you all LOVED her more than mere words could say. She was so Proud of you all and she Thanks you all for showing her Jesus... She was so thankful that you all asked the Her the Important questions so that Heaven could be Her New Home! That's Unconditional Love! O' How she loves you all and is now interceding on your behalves! I hoped that she felt our love for her when we were around her. I'm so glad we met her and was a part of her life on this side. She will be dearly missed but I know she is happy and enjoying Heaven! Love You my Sister and Brother!*
