“ I understand why you chose to have a private service. Had it been public, with all the people who cared about Mr. Hinkle, all the lives he touched, you would've needed a major league football stadium to seat everyone! He was such a terrific teacher and wonderful man. May God grant you all comfort and peace at this difficult time, and may it bring smiles to your faces to contemplate just how many people loved him.

“ I have such fond memories of Mr. Hinkle's class! Mostly, of how he always made me blush. I, along with two other classmates, were part of the three "blush-cateers." So many memories! Thank you Mr. Hinkle! You finally have your well-deserved rest from us students! To his family: May you all be comforted with God's unfailing love during this time. 🙏
