“ He wad so funny goofing around all the time. He was always riding around in his truck. We were at a friend's house and this song came in the radio and for some reason me and P Money (Preston) just started dancing, and we made up this crazy dance. Everyone knew we were crazy. We had so much fun. He was always stopping by just checking in see what we were doing. He would always get alex to ride the roads with him. He will be missed. We love him very much.

“ Renée and family know that our family is thinking of you and praying for you during this time. We are loss for words. our prayer is that God will give you peace and comfort during the next few days and especially as time passes. I know you know that God's on your side and you walk with him daily, but your human heart will hurt. You'll never forget your son. you know you'll see him again David and Kim Green

P Money was always smiling and goofing off. He loved to play his guitar and sing. He will be missed so much. Renee and Sierra my heart goes out to you and your family's. He is smiling down on us right now. He was always just stopping by to check in and see everyone. Until we meet again my friend fly high rest in peace and sing and play your music for the angels now.
