“ *Sebrenia and Mickey my heart is broken for your loss. I know this is the hardest thing you'll ever go through. I have memories of Clay coming to Derek's birthday parties and spending the night when they were boys. I think they were in Cub Scouts together too. Their friendship grew as they got older and so did their love of music. Many times I listened outside the door as they played guitars in his room. Then they moved to Texas, but didn't stay long because they were homesick. I guess they were both homesick for Heaven and went home early. I pray that Gods will comfort you and give you strength to go on. I am so sorry this has happened. With love,*

“ *RIP cuz. Your pain is healed now. I love you. See you soon. Such a kind soul. ❤️ 🟡 💚 I wrote this. Please pray for his sweet family.*

*You had so much pain, heart ache, sadness.  
Now you're free from the madness.  
Darkness creeps in the night, fighting hard to see the light.  
Brokenness in your head that no one seems to understand.  
Such a sweet soul that some never got to know.  
Mental illness took your last breath.  
Rest easy now my friend.  
You found your light and peace now.  
Safe from all the loud sounds.  
Your wings will fly high and I'll see you on the other side.*

*RIP Clay.
