“ I am sad and shocked to hear that Miles had passed. I grew up knowing Miles, Ted, and Paul since grade school and graduated with Ted from high school. Miles was in his last year of architecture school when I was in my second year at Auburn. He would come by my studio and offer words of encouragement and helpful advice. Years later, we would occasionally see each other and would catch up with what was happening in our lives !

“ Karen,
I am so sad to hear this news today!! I have many wonderful memories of the two of you, I'll never forget your kindness in babysitting my girls!

Love you
