“ *My heart hurts for Tim's family! He was such a great guy, he always had a smile on his face and was always in a joking mood. I enjoyed the time I worked with him while working for the McDonald's company, and like I have always been told gone but never forgotten! I love you Shelly hang In there and just know he is with you every step of the way just smiling down!*

“ So many wonderful memories of playing "cops and robbers" with my sister Michelle, Tim and Belinda. A VIVID memory of a whole bunch of us going down the creek where it was very snaky and dangerous, after strict instruction from our mother to stay close to the road. But Tim assured us he could tell the time by watching the sun---LOL! Sadly, he wasn't as proficient as he thought, and my sister and I (and some other cousins) got our fannies switched! The worst part was I don't think Tim even got in trouble! We had a lot of fun in those years when we lived right down the road. I will never forget those good times. Our hearts are broken for your loss! Many prayers for Peace, Joy and Hope! Love you always, Tim-Bo!
