“ I love this precious woman so much. She was my 5th grade teacher at West Elementary but before that, she was my friend. She was my mother's hair stylist customer for many years before. She was my supporter, long before I knew her as my teacher. I have thought so much of her all these years and what a shock to realize she has passed on. Mrs Parker, Ms Nava Jean, will always be one of my most favorite people on this earth. So much love and respect, Linda Patterson Tapp
