“ *I will never forget growing up with Neal, playing silly games with him, Allyson, and my brother, Kristian. We had the best time using our imaginations all throughout our childhood. Neal was one of the sweetest, cutest, most caring people I've ever known. I haven't seen or talked to him in a long time, but my memories of him are all filled with joy and light, which is exactly what he was made of. He certainly has a special place waiting for him in Heaven.*
