“ No doubt in my mind, Heaven has another wonderful angel. That man was one of the sweetest most caring folks on earth and when I thought of him, it was always with a smile on his face. His jokes and personality, his love for his family and friends just illuminated his face when we met or was around him in any way. Ms Mavelle was a wonderful help mate and companion and loved company and making everyone happy .. I am sure I will miss him just knowing he will be there now, but promise I will meet you Mr Odus. You were one of a kind and I will never forget you. Love the family and hope to visit sometime soon.

“ Honest dependable upright friend...when he retired at NARH.....I wrote a song about Odus. “Odus John’s call 102.....Odus call 102 and bring a ladder and a bulb with you.” He liked that tribute to him and he was missed when he was no longer with us. I know you will miss him since his departure.
