“ I will always remember Ollie Scott with a smile. Having known him from the time I was in elementary school (at Providence Elementary) in the 1940's. However, we went our separate directions and I didn't get to renew our friendship till after returning to Cullman in 2001. It was then I got re-acquainted and came to appreciate his love for beagles and daylilies! Wow, was he ever a talented guy! We determined that we were distantly related but neither knew exactly how much. He was a great friend who will be missed!
