“ *Patrick, was not only a co-worker but a dear friend to me at work. During the past year with me going through a tough stressful time with my daughter being hospitalized most of the year & trying to take care of her & 3 grandbabies. I was very emotional most days with nearly losing her. Whenever Patrick was in the office, he would always give me a hug & and ask if he could do anything for me. He was always so caring and thoughtful. Patrick reminded me so much of my son! I would always tell him, he had a precious family and it was clearly obvious how much he loved Gabby and those babies. He & Gabby just celebrated their anniversary I think last week, and Gabby posted cute picks of them and she called him, sweet pea. I though oh, we are going to have fun at the office with that! Oh Sweet Pea!! Patrick, you will be missed by so many ..... RIP my friend and thank you for all your caring & thoughtful words during my sad time. We will miss you. And Gabby, I am praying for God to give you peace, comfort & strength to go through the next few days. God Bless you and your little family.*

“ I can honestly say...I'm going to miss the daily snap chat songs of him singing, a lot. Lol He's the same guy today he was 15 years ago and that's why he always had my respect. In high school and till this day we always joked that he was my "Body Guard" but truthfully, being around him always did make me feel that way, I always felt safe.

He's someone I'm going to miss dearly.

Love you Pat 🙌👍

“ We worked in Charleston SC for 6 months together, and well we talked him in to going parasailing 😂 Needless to say Ole big daddy Patty wasn't proud when I talk the boat captain into dunking him in the water. I don't think I ever laughed so hard in my life.
