“ *Paul has been my best friend since 2017, his grandmother, Angie was my sister's Godmother. Paul and I shared many fun adventures. We both love the same music and movies. My whole family loves Paul including my grandchildren, and my cats. He is now with his beloved Patsy, Arron and Smoky (his last cat companion) I will miss his wit and his ever flowing knowledge of the world around him. He loved the forest, so I'm going to plant a tree in his honor.*
