“Pete was my brother-in-law and one of the best men that I know. He loved his wife and children more than words can express. When he met my sister he readily accepted her two boys and raised them as his own. He would go out of his way to help anyone in need. Pete was a proud veteran and loved his country with his whole heart. He is loved and I will miss him but I know that he lives on in heaven and in the hearts and memories of the lives that he touched. Love you my brother. Rick
