JM

“ I remember the day I met Phillip in Auburn AL in Story's Sporting Goods Store. We struck up a conversation that brought about a friendship that lasted 29 years. Phillip and I became close eventually working together as he helped me build my business. We hunted, fished and dreamed about many things in life. I will never forget his humor, wisdom and steadfast beliefs. Phillip blessed my life and I was honored to call him a friend. Phillip was much like a brother to me. My wife and son loved him and treated as much like family as they do my sisters. I have hundreds of Phillip and John adventures and he will live in my mind forever. I know one day I will hug his neck and get the big ol Phillip smile! Love you Phillip, find us a hunting and fishing hole... see you soon my friend!!

“ Phillip was a great guy! Good friends in High School. He got me my first real job that lead to my career of now 33 years and I thank him for that.

Phillip had that grin on his face that was always contagious.

Fly high my friend!
