“ I had the opportunity to meet Phil as a member of the Trans North Aviation Team. Phil was a true professional, great sense of humor, and was a good medic. I really enjoyed the times we worked together. My condolences to his family and friends.

“ Phil my brother, for 5 years we flew all over the U.S. transporting the sick to their loved ones and to higher care. We saw a lot, and helped a lot of people. You were the consummate Flight Nurse/Paramedic. The best, most caring I ever flew with. You were like a brother to me and I was lucky to have a friend like you. I will forever miss you.

“ To the Roberson Family, Phil was a great person. He was so loving, caring and just down to earth and definitely a great friend not just a co-worker. I have been honored to work with him over the years within three different EMS agencies. He was one of my mentors and I cherish his teachings and lessons learned. He loved his job and was an outstanding paramedic. I want to send my deepest condolences to you and your family. He is also a part of my extended family, our beloved EMS family in which we spend a third of our lives together. Thank you for sharing him with us. He will be missed dearly but never forgotten. God Bless.

Sincerely,

Debbie Bennett, Paramedic
