“ I am Rick Kreps' cousin, Patricia Kidd Teague. Rick knew me as Patti, which I hated! (Everyone called me that until I got old enough to rebel.) Of course I knew him as Ricky until Ricky Lynn came along and got that name. Rick's Mom, my beloved Aunt Marj, and my late Mom, Esther Glaser Kidd, were sisters. I am about 3.5 years older than Rick, and my first memories of him were of the time his dad, Ralph Sr. was stationed in Germany, and Rick was a toddler. Marj sent adorable photos, black and white of course, of a very mischievous looking little boy. I still have some. She also sent a photo of Becky and Ricky meeting Santa on the Army base. Becky and I are much closer than I've ever been to Rick, probably because we are closer in age. When we were teenagers, they were back living in Cullman, and I imagine that Becky and I couldn't be bothered with a younger kid! We would see each other at family gatherings, but there was so much bustle and laughter and noise that there weren't many conversations. The last time I saw Rick, he and I both were at the doctor's office, getting our second COVID vaccines. We had a great visit until they called him back for his shot. I loved Rick. I wish I'd known and loved him better as an adult. Pat Teague

“ To Ralph's Son, grandchildren, Mother and the rest of his Family. Ralph holds a Special place in my Families life and heart. He and my Brother Coy worked together for years at Nicholson Files there in Cullman. Ralph became a big part of our Family thru Coy. They were best of friends for years and now will be together again. I will cherish my time and memories of this sweet man I choose as my ( Other Brother Ralph ). Brother Ralph I will always love you as my Brother. Now you and Coy can ride your motorcycles together again on those streets of Gold. You will always have that Special place in my ❤️❤️❤️. Till we meet again. I love you, Bro...
