“ *Randy was such a caring and gentle man. I recall it was a Sunday, the first day of vacation Bible school at the Presbyterian church near our home. I had to work but my son, Mason, wanted to go. Randy took time out of his day to take Mason to the church and go back to pick him up and bring Mason home. Randy was so patient with Mason, as he didn't want to leave bible school when he came to pick him up. Randy spent time with my brother and aunt as he waited for Mason to be ready. Words could never express my gratitude to him for the care and kindness he showed my son that day.*

“ *When Randy was young he hung out at my shop a lot and was always a big help! He never ask for anything and I was more than glad to lend him a tool or let him use my hoist! He probably helped me push a couple of hundred car's onto the hoist! I'm sad I wont get to see him any more but I know his heart was in the right place! I'll see You again Brother in a far better place!! Your Friend Steve E.!!*
