“ *It was at one time in my life Rayford was a second father figure to me.*

Growing up in Holly Pond with his son Randy who is my distant cousin and classmate. I've stayed many nights at their home as was always treated as family. We all went to church at Pleasant View together for years and become even closer.

Randy has always been one of my best friends. One night he asked me if I was saved. I responded no and he immediately said that he would pray for me. I was saved at Pleasant View and so very blessed.

My heartfelt thoughts and prayers are with them now asking for the Holy Spirit to provide comfort in the time to come.
