“ Farewell for now, dear sweet cousin. May you rest in the loving arms of Jesus. You will forever hold a special place in my heart. Your kind spirit shined to all who crossed your path. May you stroll through the heavenly city with guitar in hand, playing sweet melodies.

“ There are no words. I can't believe you're gone. I will always remember you calling me and Donna your little girls. You were always smiling and never judged anyone. I loved to hear you sing, you had the voice of an angel. I know you are in no pain, and singing with Jesus. Keep an eye on us, we need our guardian angel. I love you!!!!

“ I worked for many years with Regina in Labor and Delivery. She was a hardworking conscientious person and so thorough. She was kind and articulate and was always smiling. She took pride in her work and she was truly a genuine person who represented the Lord so graciously! I loved Regina very much . She was a very special person. I will never forget this lovely lady .
