“ *You will live foremost in my heart forever. Love doesn't die with death as long as those who love you keep the memories of you in their hearts. OUR SONG says my feeling for you best: "You brought me love like I had never known.... You placed gold on my finger..... You gave life to our children..... You are my bread when I'm hungry.... You are my anchor in life's ocean.... But most of all "YOU ARE MY BEST FRIEND!" (Artist: Don Williams) I will hold onto the memories we made together in 36 years of marriage and even after the divorce I never stopped loving you. Until we meet again Darling. Always yours, Sara*
