“ I am so sorry to hear of this news. As an outside supplier to LP I have worked with Richard on projects and enjoyed talking to him during my visits. He was always there to help. We shared stories about our kids and their baseball successes. He was so proud to talk about his son. I will miss him.

“ Ashley, Jalyn, Chris, Rita, Vicki, Richard and family,

I don't know what to say. A part of me is broken. Richard was one of the best men I know. He was hard working and a quick learner. More importantly he was caring of others and went out of his way to help. My wife Barbara said it best, he was like a guardian angel for us when we were in Cullman. He checked on us to be sure we were OK and didn't need help with anything. I know we were not the only ones he was watching out for. The list of times, he went out of his way to help others is long. Coming from a dad proud of his kids, Richard was monumentally proud of Jalyn. He could brag all day about him without being obnoxious. He loved everything his son did.

I miss Richard.

“ I was extremely fortunate to spend quality time with Richard recently during my first year at LP. He taught me a lot about OSB and how to appreciate some good sauteed mushrooms with every meal. He was a caring, thoughtful, and funny man who spoke endlessly about how proud he was of his son. I'm heartbroken and very sad for his family.

“ To Ashley, Jalyn, Rita, Vicki, Richard and Extended Family,

I wish to express my deepest sympathy for your loss. Richard was a wonderful person and will undoubtedly be missed by all who knew him. His appeal exceeded being a dedicated and capable employee. Kind-hearted, knowledgeable, enthusiastic, honest and respectful come to mind. Somebody raised a great kid who was focused on doing the same. His expressions of pride for his son's accomplishments were genuine and admirable.

*Sincerely,
Jeff Jayne (co-worker and friend)*
