“*Shane, so sorry to hear about Rickey. Talked with him the other day but he didn't say anything about his health situation declining. I will miss our conversations and his sweet smile--especially his grin when he called himself my "fireman." Such a kind-hearted Christian man with more patience than anyone I've ever known. He and Josh will have a happy meeting, and they'll both forever be in my heart. Your family is in my prayers*

“*My prayers go out to the family of Rickey Dutton. I worked with him for 12 years at Copeland. He was a very kindhearted man and was an absolute joy to work with. If I ever had a bad day, I could talk to Rickey and would always leave feeling better.*
