“ *We are just heartbroken to hear about Ricky. He was my sister, Maria's husband for 38 years and he loved her so much and cared for her the very best he could in her last days. Our heart and prayers are with you. We know what a shock this is to you all, as well as to us.*

You have many great memories that will ease the pain of his not being with you here any longer. May God be with you and comfort and guide you through this heartbreak.
