“ I have 62 years of memories but the most wonderful one is the day I gave birth to you. I was so so proud of you. M

“ Bob Chandler was not only my brother, he was my best friend. I don't know anyone whom he met that didn't think the world of him. From as beginning of childhood he would always be working on this or that. The work ethic he had was simply the best that it could be. This followed up until he passed away. I always thought that he had enough things to keep busy for the rest of his life. No one would have anything bad to say about him. He was killed doing on of best things he could do, that was cruising his 25 year old motorcycle. All I can say is Rest in Peace Bobby, Rest in Peace brother.

“ *Bobby was always the first one to help if we needed it. We were a young couple that didn't have family near by so if we had questions about life, or fixing our house, car or anything Bobby was the one to go to. He knew how to fix everything and anything. He had all the tools too. Bobby was always happy to help. Such a nice guy, I've always enjoyed visiting with him and his family, he will be missed by many. We are praying for your entire family. We pray that you all will be able to remember all the good and try focus on the fun memories, we pray that you will feel the prayers and love from all who knew Bobby. We will continue to pray for you in the days ahead, the weeks and months to come. May God be with your family.*

Such sad and tragic news to hear. Bob was our neighbor across the street, and the very definition of a good neighbor, until he moved to Alabama. He was a kind, down-to-earth guy who always had good advice for anything that needed fixing or upgrading, and our property bears the imprint of much of his top-quality handyman work. He was fun to talk with, and had a great sense of humor. We will always remember Bob fondly, and our prayers go out that God will comfort his family and all his loved ones.
