“ I will never forget right after my open heart surgery Robyn hugged me and prayed for me right then and there. She always had a smile on her face and always spoke to me. Robyn was passionate about her faith and love of God and wasn't ashamed to share her faith.

“ I was honored to meet Robyn in nursing school. It's not hard to get attached and love Robyn with her bubbly personality and infectious smile. I was honored to call her my friend. I've listened to her many times over explaining what she was praying for her children and grandchildren as the love she had poured out. She was a great nurse who treated her residents as family, and went above and beyond her nursing call of duty. RIP MY SWEET FRIEND! LOVE YA GIRLIE!!

“ Because of our bond though the military Robyn was more than my friend she was my sister. She had the biggest heart and was as stubborn as I was. We made a great team. Thanks for all the memories. I will miss you always!! Jaime, Becca, and Sean you are in my thoughts and prayers.

“ I met Robyn when she provided care for my mom at Hanceville Nursing Home. She always had a smile, ready to listen and had a way of seeing the positive in any situation. My favorite memory is watching Robyn help a resident with a difficult crochet stitch. She encouraged and coached as only Robyn could. She was a very special person; respected by residents, families and staff. Her life was a blessing and her memory a treasure.

“ I would like to express our sincere sympathy to the family and loved ones of Robyn. We didn't meet her in till last year when our Mother/Mamaw was admitted to nursing home where Robyn worked. From the first time she came in the room we could tell that she was going to be a great nurse. She treated her patients very good and professionally. We all developed a friendship and spent many times just talking as she worked. Robyns life has been a short one here on earth but she gained her wings and now resting with our Mamaw . It was a joy and a blessing to have spent time with this sweet lady. May all of you be surrounded by God's comfort.

“ My lovely daughter has been called home way to soon. I will miss her almost daily phone calls and text messages that she sent. Robyn was a loving caring woman and easy to over look my faults. I feel she was taken from me at a time when I needed her most. The lord called her home.

“ Robyn I'm gonna miss you so much. I will never forget the first time we met, thanks to Sean and Shawn No 1 and No 2. We just started talking like we knew each other forever and it never stopped. We were always there for each other just to talk or giving first aid to the kids. I am so thankful you stepped into my life. It made it richer, crazier, funnier and better. I love you my dear Friend and I know you are watching over all of us now. I will never forget you. I love you Iris
