“ *You are with me everyday ❤️ I literally think of something funny and/or straight to the point you would say to me about whatever issue and or concern I'm having. I miss you! There is a BIG part of me that is missing since you've passed away. You were the last one in my life who witness mine since birth. I no longer have the unconditional love of a family member, no longer have someone to reminisce with about the past or help me fill in the pieces. Part of me died with you that day. Ron my dear sweet brother you will forever be loved and until my time on earth is over, you will never be forgotten! 😊 who knew you were sol damn important 😊 LOL. Love you brother.*

“ Hey Brother ❤️ checking in with ya..lol..I can hear you now. I know...you're really not there/here but it makes me feel better to wright a little something every now and then. Ella has grown fond of Lynyrd Skynyrd. Mostly in honor of you, but she likes their music too. I am grateful I have so many wonderful memories of you . I drive by your apartment every now and then. So much of our lives happened there. Really good times! Boy oh boy how I miss ya. Keeping you in my heart always. Love you brother. ❤️

Pictures of you race through my mind. There isn't one thing I don't miss. lol yep even you're grumpiness. You were always uniquely you.

“ You always said you wished we (me, you, Lisa, nieces/newphes..etc) were closer as a family. You were right! As I continue to age and look around a lot of my family has passed away. (Mom, Dad, Lisa, you) The time we have is so short. I make every effort to keep you alive in thought and conversation. I feel a bit lost and empty without you. I love you brother ❤️❤️

“ On your Birthday, I'm going to buy a 6 pk of
Miller (gross, you know I don't drink beer) turn
up some Skynyrd and relax by the river.
Something you and I would've done. I love

I can see you singing along..lol..a Miller in one hand and a Marlboro in the other. My gosh you are loved all much. You will always be with me, I'll carry you everywhere I go until we meet again.*

“ Ron, you will always be with us. We had our good times together. One of the best is when we brought home our baby. You couldn't of been happier knowing we had a son. Chase had the best of both of us. You will always be loved and remembered. Love always, Carrie

“ Ron was 6 months younger than me...6 months older than my brother Mike. Lisa was 5 years younger than me. (Cindy was born when I was about 11, therefore too little for us wrestle with!) Our mothers were sisters. The 4 of us cousins grew up together and were thicker than thieves. We shared holidays, the kid's table at Thanksgiving, birthdays, outings. Also long car trips from Chicago to Alabama to visit family. Two moms in the front seat, 4 rambunctious kids in the back. We played, fought, slept together, got in trouble, drove our moms crazy but mostly laughed A LOT!!! As adults, reuniting was always a celebration as we reminisced about the dumb stuff we did as kids! Ron recently told me those were the best years of his life. I agree! Memories I'll always cherish. I'll always love you Ronnie 💔
