“ *This man, Ronnie J Ivey, brought much love and happiness to my mom, Elayne Waldrep Ivey, and to our family. When our Sophia Rose was born, he became Papa Ron, and he spoiled our little girl beyond anything she had experienced, yet! He designed and built a toddler swing for her in the yard. He bought a Radio Flyer wagon, and pulled her all around the property in what became their daily routine. He carried her tirelessly on walk-about, as Mom called it, to visit the beautiful flower gardens and koi fish pond they had built in the yard. Wherever his little Sophie Bows (as he affectionately called her) pointed, Papa Ron would go! Sophia and Papa Ron enjoyed a sweet and special relationship during that time, which meant the world to me. Though the untimely passing of my Mom brought about a new life for Papa Ron, we are so very glad he found happiness again with Charlotte. Papa Ron was one of a kind and will be missed dearly by many. Our deepest, and most sincere condolences to Charlotte, Wes, Wynell, and family at this very sad time.*

I am so very sorry for your loss. I am just now reading of Ron's passing. He was one of my first friends when I went to work at CRMC in Feb '96 in the ER, following the ice storm. Ron was a delightful, interesting and very talented artistic person. He truly had a beautiful flower garden. May comfort and peace be with all of the family. Sincerely, Sandra Sloan, RN
