“ I am so thankful that we were able to reconnect these last couple of years. I looked forward to our weekly chats about nursing and memories and reminiscing about the good old days. I will miss her terribly. But I know one day I will see her again. Love and prayers, Dawn Moranha

“ Ms Ruby was such a wonderful woman. I enjoyed talking and laughing with her while I was at work. She was always a bright light in my life. As a nurse, I loved hearing her stories of what nursing was like in the past. She always had the best stories.. she will truly be missed. I am sorry for your loss.

“ Dear Ruby,

Nobody could make chocolate gravy as good as you. I knew you would tear me up when me and Reta got into trouble, but I knew you loved me like one of your own. You inspired me to be a nurse and to be a voice for those who could not speak for themselves. You suffered more than a mother should have to - yet - even after losing three of your children you could still smile and be grateful for the life you had. You never claimed to be perfect, but did the best you could sometimes under difficult circumstances. I hope you knew how much I loved you. I know you are happy in heaven today with those who have been waiting for you. Not ready to say good-bye. We will meet again.

*Love forever,
Debbie*
