“ *I haven't seen Sandi as much in recent years but have know her all of my life. I can't remember seeing her without a big smile or an easy laugh. She always seemed to be happy and so nice to everyone even when we were very young. She will be missed, and sending prayers of comfort for her family and close friends.*

“ *Jim, know that we are thinking and praying for you during the days ahead. One of my biggest memories Sandy was always ready to start singing Christmas carols. She and I were the first ones ready. Of course I have many more memories of her.*

“ Even though I didn't get to see Sandi very much anymore, I have fond memories of when we were teenagers. She also became a flamingo "enabler" at decoration day after we moved back to Cullman. Prayers for the family.
