“ *I am so thankful that I got to visit with Sherrell several times in the last few years. The last time Rich and I met her and Wayne for dinner in Cullman on one of our last trips to Destin. We had a great time and did not realize that the following year we would both lose our husbands. RIP sweet girl.*

“ I worked with Sherrell at Headstart back in the late 80s. I was young & didn't know anyone there but she went out of her way to make me feel welcome. She & I were pretty much the only Auburn fans. We developed a bond over Auburn football & the children we loved at that center. She was a joy to be around. I haven't seen her in several years but think about her often. Praying for all of her children. She spoke of you all of the time & was very proud of you. Rip & War Eagle Sherrill!

“ After 44 years I have too many to count. We traveled together so many times and laughed together over the years. One day Sherrell called to tell me she had a surprise on the way (Scott) and I thought it was so funny and I laughed at her for days. Sherrel had the last laugh (as always) and 11 months I had a surprise (Julie) and we laughed and cried together many times about this. Sherrell was a wonderful sister and Wesley was my brother. You will be missed by all. Love you
