“ Just a small amount of time in the wonderful life of Mrs. Shirley , that I had the privilege to share. I looked forward to my drive down to the beautiful home to see Mr. & Mrs. Skinner, they welcomed me into their home and allowed me to help aide in her care, she was so precious and sweet. It is very evident that she was loved and honored by her husband and children. Thank you for the small window of time. I will never forget! Love to you all!
