“ *Skyler was a volunteer for me for years working with special needs children. Everyone loved him and he was such a blessing to all who crossed paths with him. He had a beautiful heart and and his smile could light up a room. Fly high friend.*

“ I met Skyler last Christmas season when he attended our family Christmas celebration. He was there with my great niece Sloane Thompson.

That was the only time I had the privilege of being around Skyler. He had such a sweet spirit about him. I regret that I did not get to spend more time with him.
