“ Steve was more than friend to me and my family. He was a man that loved people and loved his community .

After he graduated law school and started his law practice he became my lawyer..

During all my of business dealings while owner of Wayne's Auto Parts he was always there to advise me anytime of day or night.

I knew that if I needed him that I could call and depend on him to give me an immediate answer .

When any of my family needed law advise I would say go and talk to Steve.

*They would share that Steve was always willing to help .
I can not count the times that happened.*

Every time that I saw him he always had a smile and always recognized me and spoke.

*My family and I are deeply saddened and will greatly miss him.
I would like the family to know that you will be in our prayers and thoughts.*

Unfortunately, We will not be able to make the viewing or funeral because of prior engagements

“ Steve was a good friend to me for many years. Every time I saw him there was the traditional friendly greeting and wonderful smile. Several years ago, he was handling some property in an estate that I was interested in. He was very kind in that he sold the property to me simply on a signed promissory note with reasonable payments. Jackie, I enjoyed visiting with you last year at CRMC re-hab facility. Wonderful family and wonderful people. Love and prayers from Jerry and Faye Smith and family.

“ As a cowgirl and tomboy, I met Steve about 50 years ago. He won my respect through his compassion and love for horses, and later, his integrity as an attorney. Steve was definitely a "white hat" guy.
