“ I've known Teresa for 35 years and have so many beautiful and funny memories of sharing time with her. We shared many of life's ups and downs, attended many workshops and events. We both loved animals and working with flower essences, and she was a Master. My husband also enjoyed her company and remarked on her elegant ways. She could sure make a wonderful pecan pie! Sadly, we lost touch for most of the past few years, but I know she is now with God and at Peace. Much Love to you, Teresa! Patricia Davis
