“ Our hearts ache to hear this news of Terry and we share in your unimaginable sorrow.
There are so many wonderful memories of Terry from our summer trips to AL for family reunions. Besides the times when cousins went exploring down in the creek, one of the more recent favorites was Terry singing Amazing Grace, which was so unexpected and beautiful.

Wishing we could be by your side at this time, sending our deepest sympathy and love.

“ Michele and I were close friends from elementary school through high school. I still remember the first time Terry asked about Michele at school and wanted her to go out with him. It was an everlasting true love between those two from the very beginning. I know he made her the happiest girl in world!

I know he left his family and friends with many great memories, but he will be missed greatly.

Michele, bless you and your family during this very difficult time. My prayers are with you always.

Love you girlfriend!

The were the perfect match. Two sweet gentle kindred spirits. They redefined what "being nice" meant. You knew they were destined.

Beautiful thoughts Kim. I remember what you described here.

RIP gentle giant ❤️
