“ I remember when Tom and a friend took me to downtown Panama City Panama. It was very amazing. My sister Elizabeth, Tom and I toured Balboa Park and snorkeled. He was supportive to all of my family when my father died. My last memory was the joy he showed at his son's wedding, along with the kindness to me with my disabilities and not making it in the main family wedding photo. RIP.

I remember TJ from GMC where I was a cadet 74-75. He made it clear his goal was as an Airborne Ranger. I enlisted into the Air Force Feb of '76, but returned a couple of times to GMC. TJ was kind of a legend Ranger as they detected he had a bad rash on his legs the last week of Ranger school and tried to pull him out. His response was "This close to graduation, I DON'T THINK SO!" For the past 2 decades, I've enjoyed the company of TJ & Kathy at GMC Alumni Week-Ends. I hope she keeps coming as she's one of us now.. We will definitely miss our 'B Company Airborne Ranger.
