“ I have known Huie most of my life, I was 3 when he married my sister Mildred. A lot of good memories such as going to the Vulcan, going across country in moterhome and visiting battleship Texas, Alamo and aircraft carrier Midway in San Diego.
One of our stops on the cross country trip I ask him if he wanted to do exercises with me, he said yes so I proceeded to do 15 pushups, he is pushing 80 years old and he did 25 easy. I didn't ask him again as he was in better shape than me.
Rest in peace Huie,

“ I knew Huie since I was 3 years old when he married my sister Mildred. Their son Larry was my first nephew so we spent a lot of time together as I was only a few years older.
I still remember them taking us kids to the Vulcan and the park where we could ride the bumper cars and other rides.
In 2008 I bought a motor home in Georgia and asked Huie if he wanted to join me in going home to California since he had mentioned he would like to travel across country. We visited the battle ship Texas, the Alamo and aircraft carrier Midway in San Diego
We had a good time and he could do more pushups than I could.
Rest in peace Huie, Billy

“ I have so many memories of good times spent with my Uncle Huie: spending weeks with him and Aunt Mildred in the summers, driving his tractor, feeding the cows, going with him to buy hay, riding horses, going to the store and getting a Mtn Dew and candy or a fudgesicle, working in the garden and picking blackberries, playing horseshoes, killing a snake, burning garbage and cleaning out the barn, touching an electric fence, camping in a tent on the beach in Florida, going to the circus in Birmingham and stopping for a drink of cold spring water coming out of the stone wall along the interstate, trips to Opryland, Lynchburg, covered bridges, USS Alabama, trade days and state parks, eating stew at Jack's truck stop and looking at boots, swimming at Smith Lake, making homemade ice cream, listening to stories about the Navy or what new things he had been reading, and discussing the past, the future, and life in general. Uncle Huie was a blessing to have him in my life.
