“ I remember Granny calling Tim’s acting out as a child the, “Timbo Mombo”. I never witnessed it as a child but often wondered. I’m missing his sister and brother also. For awhile they were my family and I’m thankful for all of them in my heart.

“ Tim, I will miss you, my dear friend. To all those glorious times we spent working and talking together in days gone by. Lunch times when you would have the crew laughing until our side hurt. Even though you moved away we had a special bond which can never be broken. I’m so glad we got to spend time with you and Linda. May you rest comfortably in the arms of the Lord.
