“ I didn't know Tina that well. However she worked with my husband at Walmart and Aquatic Center. He always spoke very highly of her. She always offered a lending hand on anything that she could help. She seemed to have a huge heart and done anything for us. She will be missed and I wish I knew her better but her time on earth was too short. She was a good friend to my husband and always pleasant to be around. You touched many lives and I hated to hear of your sickness. God gained a hard worker to let rest and enjoy His beauty. May You Look Down And Protect Your Family and Friends and from time let them know you are still with them ! The Finley Family

“ I trained Tina when she first came to FID. At first she thought I was intimidating but soon found out I was just as crazy as she was. I am proud to have know her and that she thought of me as her friend. She will be missed and will forever be in my heart. To the family you are all in my thoughts and prayers.
