“ I worked with *Tobby* at *CSX* railroad. He was always smiling and telling stories! He would call me at least once or twice a week just to see what I was doing. I'm going to miss you my friend *Tobby* and especially the phone calls. *RIP* we will see you again one day.

“ First saw *Tobby* 58 years ago in *Spokane, Washington*. He had a problem with his foot, or feet, and I think the doctor had recommended dance as a good exercise for the problem. My husband and I went to his little dance recital with his parents, our new friends, and he was just the cutest and sweetest little boy in the world. Have remained in touch with the *Blackwood* family all these years and watched *Tobby* grow up. I live in *Texas* now, but in *June* my daughter and I were in *Alabama* and had lunch with *Tobby, Debbie* and *Hilda* and *Tobby* was still the cutest, sweetest thing in the world. Have loved him all these years and I know he was loved by so many others. *Rest in peace, sweet, brave, little boy.*
