“ I will miss my Uncle Travis's laugh, he could always make me smile whenever I visited with him. The memories created throughout my childhood from family visits during the summertime will always be special and cherished. The summer he and my dad came up with the project of adding on the "bar room" to our old house is one of my favorites! His taking the time and making those trips to visit enabled me to create lasting and loving family memories with my cousins bobby, Sandi, Paulie, Martie, Debbie, and Stevie. My heart aches for your loss and I share in your grief.  
Love, cousin vikki
