“ Verrell was the best mother-in-law a person could ever ask for. She never judged and was the most caring person ever. She would always send care packages back home with us when Andy and I visited. She had a really good sense of humor, which I shall truly miss.

Most of all, she was a very funny lady. The world will be a little darker now without her.

Rest In Peace Verrell. Will love you always. Sharon Lee

“ She was a special lady. I have some great memories of the times we shared. We spent 8 weeks in Tennessee going to school and we had great fun after class. There were 4 of us from Cullman Head Start and we all traveled together. Harold Dean would make a batch of Mexican cornbread to take back with us. That was our nightly snack. I will cherish her friendship forever. She has earned her star in Heaven. Rest in Peace dear friend.
