“ I am so sorry for your loss. Vickie was such a sweet and caring  
person. I worked with Vickie for a very long time as well as  
Cathy(niece), Connie, (sister), Teresa(sister in law). One thing you  
did not have to question about Vickie is the LOVE for her family.  
Especially for her children. She always asked about my little girl Lily  
everytime I saw her and told me to cherish every minute with her  
that you never knew when it might end. She always asked for a  
recent picture so she could, as she said "show HER Lily off". I did  
that one time and then the next time I saw her she asked for  
another one. I said, Vickie did you misplace it? She said No, Bobby  
took it away from me and put it in his wallet. We had such a good  
laugh and of course I got her another. She will be greatly missed but  
is having her glorious reunion with her sweet Ashley. May God bless  
and keep you during this difficult time. You will be in our thoughts  
and Prayers. Love, Joy and Lily (Waldrep) Powell.
