“ Dear Dawn, Bennie and All Members of The Family of Wacota Demonica.

*My name is Condle Mckenzie. I am the 6 st child of Vollie Mckenzie, born in Soperton, Ga, My siblings are , Felton,Joseph Edgar, Ray, Dean, Jewell, Condle, and Donald.
Only Ray,Jewell and Myself survive.*

We were much saddened to learn that Wacota had died. We got the news a bit late and details about the funeral at 10 PM the night before.

Our family cherished the relationship that we had with Wacota and his whole family. My father, throughout his life , talked more about uncle Pink than he did about any of his eight brothers. I have attended the Mckenzie family reunion in Cullman for more than 25 years and always visited Wacota. I usually saw Wano, Tony ,Bennie or other family members.

Some of my best memories are the brief visits I had with your family throughout my 82 years. We share your loss and your sadness. We also share many good memories.

May the happy memories drown the sadness.

Your Cousin
