“ I loved Van, my best fishing buddy one could imagine. He loved life and always had a smile on his face especially when he was on the lake in a bass boat doing what he loved most.

“ I first met Van in 1983. He was a co worker and immediately became a Friend. Van was one of the most caring individuals I have ever had the opportunity to know. Van and Marty have meant a lot to me personally and to my Family. Van has taken me fishing on many occasions and we have shared many good times and memories. Van was a wonderful person and I will cherish the many memories I have of him forever. Van will be greatly missed by many.

Thoughts and prayers are with the Nichols Family during this difficult time.
